SIXTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR §1.56, Applicant hereby discloses the following references listed below and identified on the attached Form PTO-1449. Copies of the two references identified below are enclosed regarding the above-identified patent application.

Other Documents

1. Mitsubishi Parts document showing factory part no. 81101; published at least as early as November 1999; two (2) pages (hereinafter “the Mitsubishi Parts reference”).
2. Twenty-six (26) colored copies of a 2000 catalog showing a Mitsubishi Eclipse automobile; published at least as early as November 1999 (hereinafter “the 2000 Mitsubishi Catalog reference”).

The factory part no. 81101 shown in the Mitsubishi Parts reference appears to include three pieces, one of which is a decorative piece (shown encircled) with viewing openings defined therein through which a driver of the automobile views instruments that are contained within an instrument cluster assembly of the automobile. The decorative piece of the factory part no. 81101 abuts the window of the instrument cluster assembly, whereby the decorative piece of the factory part no. 81101 is positioned on one side of the window of the instrument cluster assembly, while the instruments of the instrument cluster assembly are positioned on the other side of the window of the instrument cluster assembly.

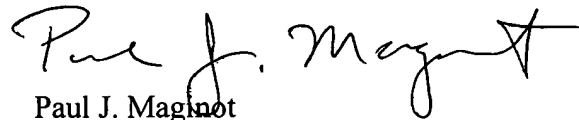

The 2000 Mitsubishi Catalog reference appears to show the decorative piece of the factory part no. 81101 mounted in an automobile.

A check in the amount of \$180.00 is enclosed to cover the fee due under 37 CFR 1.17(p) for the filing of this Sixth Supplemental Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any fee deficiency or to credit

any overpayment to Deposit Account No. 13-0014, but not to include any payment of
issue fees

Respectfully submitted,
